**2015/16 MECHANICAL SITE PREP TENDER**

The Nawiinginokiima Forest Management Corporation (NFMC) is seeking bids for its mechanical site preparation project on the Big Pic and Pic River Forests. The NFMC requires:

1. Approximately 1,750 ha of bracke and/or passive disk trencher completed by September 30, 2015;
2. Operators with experience in mechanical site prep; and
3. Silva track GPS systems or similar GPS units for tracking area.

Please note:

1. The location of the mechanical site prep areas have not been finalized and block maps will be provided by March 31, 2015;
2. All blocks are accessible by all-weather gravel roads; and,
3. Operational roads within the mechanical site prep areas may not be all-weather gravel.

A submission bid must include:

1. A description of all equipment and services employed to fully deliver the application;
2. A description of any local First Nations opportunities and benefits that may be provided in the delivery of services;
3. A description of the supplier's qualifications to provide services including reference to the individuals who will perform the work;
4. A description of the supplier's ability to meet the required time frames;
5. A description of the warranties provided with the services including warranty periods;
6. Cost including all applicable duties and taxes to provide services, broken down as follows:
  - a. Cost of the service (Canadian funds) as a price/hectare; and
  - b. Harmonized Sales Tax (HST), if applicable, as a separate item.
  - c. Your bid price will be considered final.
7. Names and contact numbers for three clients for whom similar services have been provided in the past five years.

**Tender submission deadline: Friday, February 13, 2015**

**Please send tender submission to: [steve.bros@nfmforestry.ca](mailto:steve.bros@nfmforestry.ca)**
