

MECHANICAL SITE PREP TENDER

The Nawiinginokiima Forest Management Corp (NFMC) is seeking bids for mechanical site preparation project on the Big Pic Forest. The NFMC requires:

1. D-7 or D-8 tractors with angle blades;
2. Operators with experience in mechanical site prep;
3. Silva track GPS system for tracking area; and,
4. The project is planned for start in late November 2014 and will run dependent on snow depth with the objective of finishing by April 30, 2015.

The site preparation area is 850 ha and is within the Kassagimini block of the approved Big Pic 2014- 15 AWS. The Kassagimini block is located on the Kassagimini Lake Road (an all-weather road approximately 20 km from Caramat).

For more information on this opportunity, please contact Neil MacDonald at (807) 228-2404 or visit the NFMC web page at: www.nfmcforestry.ca/Procurement.aspx

Deadline to submit a bid: November 24, 2014. Please submit bid to:
